**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a happy customer of Sonic in Santa Rosa, CA, subscribing to both internet and telephone service. The competitive services offered by ATT have been woefully inferior and unreliable. I need reliable landline service for my cardiac monitor and reliable, fast internet service for conducting business from my home office. ATT has been pushing their cellular service to the detriment of maintaining their copper cable network. Having ATT as our sole provider would be very undesirable.

I strongly support broadband competition.
